

Exhibit C
Second Declaration of Terry Whitehat

Second Declaration of Plaintiff Terry Whitehat

1. I am a member of the Navajo Nation and a resident of Navajo Mountain, San Juan County.
2. From my home, it takes me approximately five hours to drive to Monticello one way.
3. There is a history of discrimination against Navajo people in San Juan County.
4. Whenever I go into Blanding or Monticello it feels like I'm a target. I therefore avoid going to Blanding and Monticello, if possible. For instance, if I am driving, I will gas up in Moab in Grand County, to avoid stopping in Blanding or Monticello for gas.
5. If an early vote site were available on the Navajo Reservation, I would take advantage of that opportunity as I am not always able to make it to the polling place on Election Day, due to work or travel.
6. My father is currently awaiting a kidney transplant, and I may be the kidney donor. The operation will take place in Salt Lake City and may occur over Election Day. Because I may be in hospital on Election Day, I would like the opportunity to vote early in person in Navajo Mountain.
7. For the 2016 primary election, I received my ballot in the mail on June 13, 2016, almost two weeks after ballots were mailed. *See* Exhibit 1, a true and correct copy of important dates for the 2016 election as downloaded from the County website (accessible at <http://www.sanjuancounty.org/documents/Important%20Dates%20for%202016%20Elections.pdf>), indicating ballots were mailed to voters on May 31, 2016.

I declare under penalty of perjury that the foregoing is true and correct. Executed on

Sept. 15, 2016.
